

# PS TERMINAL®

## PLASTIC-SAFE ELECTRICAL CONTACT CLEANER

### DESCRIPTION

**PS TERMINAL** is an electrical contact cleaner formulated with a blend of HFC solvents and propellants to safely and quickly clean electrical and electronic components without using ozone-depleting chemicals.

**PS TERMINAL** will penetrate and remove dirt, grease and organic contaminants and then evaporate, leaving a residue-free surface. The blend of HFC's provides a Kauri-Butanol value nearly as low as the old CFC 113, historically used in electrical contact cleaning markets.

**PS TERMINAL** is non-flammable, dries quickly and has a high 35,000 volt dielectric strength.

**PS TERMINAL** is safe on all metals and most plastics (see list below for incompatible materials)\*. For best results, spray a minimum amount to clean the part. Excess spray is wasteful and could cause plastic compatibility problems where none would typically occur.

### ADVANTAGES

- Safe on most plastics\*
- Non-flammable
- Non-staining
- Residue-Free
- Odourless
- Easy to Use
- May be used while equipment in operating
- >35KV Dielectric strength
- NSF Authorised K2
- Boeing approval D6-17487 Rev H

### APPLICATIONS

Electrical Contacts	Electric Motors
Printers	Metal Surfaces
Computers*	Electronic Parts
Tuners	Refrigeration Units
Calculators	Portable Radios

### PRODUCT CHARACTERISTICS

Form	Solvent
Odour	Ethereal
Colour	Clear
Detergency	None
Wetting Ability	Dampens
Nominal Shelf Life	2 Years
Min. Operating Temp	-18°C
Phosphates	None
Flash Point	Non-Flammable
Flame Extension	None
Water Solubility	0%
Specific Gravity	1.2
% Volatile by Volume	100%
pH	None
Propellant	HFC
Evaporation Rate	Rapid
Biodegradability	None

**NB** Although every attempt has been made to ensure this product is compatible with the widest range of plastics possible, etching, discolouration or cracking may occur on the following types of plastics: ABS, Polystyrene, Pebax 2533 Resin and Polymethyl Methacrylate (Acrylic Resin). Test in an inconspicuous, non-structural area before using fully.

---

### PACKAGING

Code No.	Size	Container
60242	400ml	Aerosol

### LIMITED WARRANTY

Jet-Lube (UK) Limited makes the Limited Express Warranty that at the date of delivery, this product shall be free from defects in Jet-Lube (UK) Limited materials and workmanship.

This limited Express Warranty is expressly in lieu of any other express or implied warranties, including any implied warranty of merchantability or fitness for a particular purpose, and of any other obligation on the part of Jet-Lube (UK) Limited.

The sole remedy for breach of the Limited Express Warranty shall be the refund of the purchase price. All other liability is negated and disclaimed, and Jet-Lube (UK) Limited shall not be liable for incidental or consequential damages.
